

Pennsylvania Steel Company, Inc.

August 30, 2018

California Proposition 65 Compliance

Pennsylvania Steel Company Inc. is committed to providing quality raw materials to our customers. We continually work to comply with all safety and environmental requirements that apply to our products

We are a service center engaged in the wholesale distribution of assorted ferrous and non-ferrous metals. None of our product is produced by Pennsylvania Steel Company Inc.

California Proposition 65 is a 1986 law designed to protect California residents from exposure to chemicals that might cause cancer or reproductive harm. The list of chemicals and other information on Prop 65 can be found at http://oehha.ca.gov/prop65/prop65_list/Newlist.html. This year, the requirements for warning of the presence of chemicals have changed.

Some of the material distributed by Pennsylvania Steel does contain chemicals on the list such as lead, nickel, and chromium. This statement serves as notification of the presence of these chemicals.

The warning statement below applies to products supplied by Pennsylvania Steel Company Inc.

WARNING!

This product can expose you to chemicals including lead, nickel, and chromium which are known to the State of California to cause cancer, birth defects, or other reproductive harm.
